

One of the most important things in improvisational theater is the ability to infuse your partner with clear, immediate ideas.

BE LOUD AND CLEAR!

THIS REQUIRES

Fast thinking
High verbal ability
Clear body language
Charisma

Learn how to be heard and understood in order to improve your personal charisma and communication skills.

WORKSHOP FOCUS

- Storytelling: How to tell the story of our lives, our products and our goals
- Subtext: The text is only the first layer of what you are saying
- Body Language: How to tell different stories with different body languages
- Charisma : No matter what you say you, own it!
- Minimalism: Learn how to use specificity and clarity
- Infuse people with your ideas. Light up their eyes!

WHAT IS YOUR BENEFIT

- Have a team that communicates with clients in a confident and trustworthy way
- Have a direct, respectful and inspiring communication within the team
- Increase the amount of personal charisma in your team members
